

SOUTH NATION
CONSERVATION
DE LA NATION SUD

St. Lawrence Emc (Brockville), Apr 8, 2010

Grants Available

Controlled tile drainage structures, fuel storage, manure storage, septic systems, and well decommissioning are examples of projects currently available for funding under SNC's Clean Water Program.

Projects must be within SNC's jurisdiction (portions of the following counties: Stormont Dundas & Glengarry, Prescott-Russell, and Leeds-Grenville) and must demonstrate water quality improvement.
