FORESTRY TECHNICIAN

**Employment Period: Full Time
Compensation: To Be Determined
35 Hrs Week**

SUMMARY OF DUTIES:

Reporting to the Director of Conservation Programs, the Forestry Technician will be responsible for providing tree planting advice to landowners, and technical support for the Management of our Community Forest and Urban Forestry.

REQUIREMENTS:

- Post Secondary education in forestry or natural resource management.
- Experience in forest resource management commensurate with the position.
- Excellent organizational and administrative skills.
- Ability to deal with public, good written and oral communications and team-oriented skills.
- Bilingualism is an asset
- Tree Marking and Pesticide license is an asset
- Valid Ontario driver's license.

SUMMARY OF MAJOR TASKS:

- Implement a tree planting program with targets of 200,000 trees per year
- Provide technical support in the management of our Community Forest
- Provide effective administration and supervision of assigned forestry operations.
- Participate in the development of an Urban Forestry program for our Member Municipalities.
- Other duties as required.
 - Participate in the forestry business roles of the Authority
 - Participate in designated accredited training programs as required
 - Comply with SNC Personnel Policy
 - Comply with SNC Health & Safety Policies and regulations of the Occupational Health & Safety Act pertinent to the position.

LOCATION: This position will work out of the South Nation Conservation office in Finch, Ontario

Forward Resumes by April 29th, 2011 to:

Mrs Josee Brizard RPF, Director of Conservation Programs
38 Victoria Street, PO Box 29, Finch, ON K0C 1K0
