

Ice melts away... trash is here to stay.

***Garbage left on the ice ends up
in the river—killing aquatic
life and polluting our
drinking water.***

***Enjoy your ice-fishing,
and please, take your
garbage home with you.***

***Let's work together to
keep our waterways clean
for generations to come.***

Drop us a line!

Report Resource Abuse:

1-877-TIPS-MNR (847-7667)

Together, we can keep our river clean.
