

ONTARIO WOODLOT ASSOCIATION
Lower Ottawa Valley Chapter

Pruning Workshop

The local chapter of Woodlot Owners is hosting a pruning workshop

Saturday January 28, 2012

9:00 a.m. until noon

Everyone is welcome

**Location: The Ferguson Forest Centre, Kemptville
275 County Rd. 44 (next to and north of the North Grenville Municipal
Centre) Follow Sandwich Boards to “WOODLOT OWNERS EVENT”**

- **Learn why, when and how to prune trees safely and without causing damage to the trees.**
- **Learn what equipment is needed and how to properly use it.**
- **Learn why and how to prune apple trees and learn when and how to prune Christmas trees.**

Instructors:

- **John Ransom, an arborist by training, is currently the program manager for forest operations with the City of Ottawa. In the past John has been a trainer with Arboriculture Canada.**
- **Kevin Schooley is a consultant who specializes in providing consulting services for fruit and vegetable growers.**
- **Linda Touzin is a forester with the Ontario Ministry of Natural Resources**

The workshop is free for members of the Ontario Woodlot Association and \$10.00 for non-members.

Coffee, tea, juice and snacks will be provided.

**For more information, please call Kerry Coleman at 613-258-7515
Check out www.lov-owa.ca for this and other events.**
