Rainy day a good time to play cards, support mill

Participants in the Spencerville Mill canoe poker run line up at a card stop near the Weir Road bridge on Saturday morning. More than 80 entrants took part in the ninth annual fundraiser for the Spencerville Mill Foundation. They made their way down the South Nation River from County Road 18 to the mill. The Grenville Fish and Game Club made available a number of canoes and kayaks for the community event.
