

## Application for Member-at-Large Position: Forest Conservation Working Group

South Nation Conservation (SNC) and its member Municipalities are committed to protecting and improving forest cover in the SNC jurisdiction. An Agricultural Forest Cover Committee was established in 2017 and they presented their preliminary recommendations report to the SNC Board of Directors, including the need to broaden stakeholder engagement.

A copy of the report and additional information on forest cover is available online at [www.nation.on.ca/forest-cover](http://www.nation.on.ca/forest-cover).

SNC is currently seeking a member-at-large representative to participate on the Forest Conservation Working Group. This Working Group will build on the Committee's initial work and provide recommendations to the SNC Board of Directors. A copy of the Working Group Terms of Reference is available here.

**Individuals and organizations interested in applying for this position are asked to submit a 1-page cover letter and curriculum vitae outlining their background and expertise.**

Please include the following information in the cover letter:

- Name
- Contact information
- Summary of experience/expertise
- Why you are interested in participating on the Working Group
- How you can help communicate recommendations from the Working Group to the public at large

**Deadline for applications: March 9<sup>th</sup>, 2018**

Submit your cover letter and curriculum vitae to Ronda Boutz, Team Lead, Special Projects at [rboutz@nation.on.ca](mailto:rboutz@nation.on.ca) in PDF or Microsoft Word format. Please indicate "Working Group Application" in the subject line.
