

Engineering Assistant

Full time, Finch, Ontario

Hours: Monday-Friday (8:00 a.m.-4:00 p.m.)

Salary Range: TBD

Start Date: September 6, 2016

Duration: 6 months from start date

At South Nation Conservation (SNC) you will be immersed in a diverse professional environment, where you will thrive in a multi-disciplinary community that includes engineers, planners, biologists, foresters, and GIS technicians, among others.

SNC's strength lies in our experience performing and applying cutting edge science and research at the community level. Our entrepreneurial culture is a dynamic combination of government and private sector, in which you will have the scope to lead innovative projects to protect and enhance our local environment.

POSITION DETAILS:

Responsibilities include assisting with the completion of activities concerning the Authority's Engineering Department. The incumbent will be part of a team of eight recent, university graduates who will be working together on an environmental data management project.

The Engineering Assistant is responsible for a variety of technical, analytical and data processing tasks in the general area of water resources engineering. This position reports to the Director, Science and Research.

WHAT YOU OFFER:

- Graduate Diploma or Bachelor's Degree in Technology, Civil Engineering, Environmental, Water Resources Engineering or a related discipline.
- Knowledge of water resources, water quality, flow monitoring, calibration/care of field equipment, statistical analysis, computer programming and file management.
- Ability and aptitude for field work, including occasionally working under physically demanding conditions.
- Excellent organizational and interpersonal skills.
- Excellent written and verbal communication skills.
- Relate well in both team-oriented and independent situations.
- Familiarity with computers and Microsoft Office programs.
- Hydrology, water quality and hydraulic modeling with software are an asset.
- Database management, computer programming, GIS experience are an asset.
- Bilingualism (French and English) is an asset.

SOUTH NATION
CONSERVATION
DE LA NATION SUD

- Valid Class “G” Ontario Driver’s License.

LOCATION:

The SNC office is in a rural location in Finch, Ontario, southeast of Ottawa. The successful candidate must have reliable transportation.
