

Stewardship Assistant

Full time, Finch, Ontario

Hours: Monday-Friday (8:00 a.m.-4:00 p.m.)

Salary Range: TBD

Start Date: September 6, 2016

Duration: 6 months from start date

At South Nation Conservation (SNC) you will be immersed in a diverse professional environment, where you will thrive in a multi-disciplinary community that includes engineers, planners, biologists, foresters, and GIS technicians, among others.

SNC's strength lies in our experience performing and applying cutting edge science and research at the community level. Our entrepreneurial culture is a dynamic combination of government and private sector, in which you will have the scope to lead innovative projects to protect and enhance our local environment.

POSITION DETAILS:

Responsibilities include assisting with the completion of activities concerning the Authority's Stewardship and Water Resource-related activities. The incumbent will be part of a team of eight recent, university graduates who will be working together on an environmental data management project.

The Stewardship Assistant is responsible for a variety of restoration, rehabilitation, and water resource protection work by providing technical assistance and support on a variety of stewardship projects. The assistant may work outdoors and in adverse weather conditions. This position reports to the Director, Science and Research.

WHAT YOU OFFER:

- Graduate Diploma or Bachelor's Degree in Forestry, Environmental Sciences, Natural Resource Management or related discipline.
- Knowledge of forest management and ecological restoration principles.
- Terrestrial vegetation skills preferred.
- Experience in Geographical Information Systems (GIS), is an asset.
- Strong oral and written communication, organizational and administrative skills.
- Relate well in both team-oriented and independent situations.
- Ability and willingness to work in the field, often in adverse conditions.
- Bilingualism (French and English) is an asset.
- Valid Class "G" Ontario Driver's License
