ROUNDTABLE DISCUSSION

Glen:

- Proposal to increase ethanol in gas from 10 to 15%. Major impact on many vehicle and small engine owners, also could lead to more clear-cutting for corn production.
- Changes in Provincial regulations on zoning may make it more difficult for farmers to sever off land for residences.

Larry:

- Maryland DNR going to propagate mussels (several million dollars invested)
- Fred: MNRF doing the same at the White Lake Hatchery – difficult process in terms of having the suitable substrate for the larval mussels.

Barry:

- 10th Anniversary of South Nation Delta Waterfowl Youth Hunt last year.
- Delta looking to make it a province wide program.
- Congratulations to Ryan Robson for initiating the program 10 years ago.

Doug:

- Cannabis production facilities – should SNC be involved because of increased use of water and waste produced – waste water will have lots of metals, nutrients, pesticides, etc.
- Process and impacts to the local environment should be reviewed.

CHAIR'S REMARKS

Fred Schueler, Committee Chair, opened the September 4th, 2018 Fish and Wildlife Committee meeting at 3:05 p.m. and welcomed Members.

A roundtable discussion on invasive species occurred with the following highlights:

- Fred Schueler discussed the differences between native and invasive Phragmites and provided specimens for the Committee to view.
- He then discussed dog-strangling vine and its ecological impacts, and Cyril Holmes provided specimens for observation.
- Bill Smirle requested that the Committee consider calling a special meeting to dedicate to learning about invasive species in the region.
- The Committee agreed that education on invasive species is still lacking for the majority of watershed residents.
- Bill Smirle requested that specimens of Phragmites and dog-strangling vine be brought to the September Board of Directors meeting.
- Bruce Clarke provided a series of questions to the Committee regarding his thoughts on SNC's invasive species activities. He then put forward a motion to recommend inclusion of a more robust invasive species program in SNC's draft 2019 Budget.

RESOLUTION NO. FW-022/18
