

GIS (Geographical Information Systems) Analyst

Full time, Finch, Ontario

Hours: Monday - Friday (8:00 a.m.- 4:00 p.m.)

Start Date: February 4, 2019

Salary: To be evaluated based on experience and credentials

Duration: One-year contract with a potential for full-time

Benefits: A comprehensive benefit package including OMERS

At South Nation Conservation (SNC) you will be immersed in a diverse professional environment, where you will thrive in a multi-disciplinary community that includes engineers, planners, biologists, foresters, and GIS technicians.

SNC's strength lies in our experience performing and applying cutting edge science and research at the community level. Our entrepreneurial culture is a dynamic combination of government and private sector approaches, where you will lead innovative projects to protect and enhance our local environment.

POSITION DETAILS:

The GIS Analyst is responsible for the analysis, testing and implementing efficient GIS applications related to the Authority's work as well as system improvements and special projects. The GIS Analyst is guided by a detailed project work plan complete with milestones and timelines to ensure the timely delivery and completion of GIS work. This position reports to the Director, Organization Effectiveness.

WHAT YOU OFFER:

- Post-secondary education in Geographic Information Systems, Geography, Environmental Studies or related discipline
- Knowledge of basic forestry, fishery, water and conservation qualities and issues, is an asset.
- Excellent mapping/cartographic skills, with a variety of vector and raster file formats.
- Ability to interpret air photographs.
- Knowledge of GIS principles, methods and techniques using ESRI ArcGIS technology, operating systems and programming languages.
- Excellent organizational and analytical skills.
- Excellent interpersonal, verbal and written communication skills.
- Enthusiasm, determination and the ability to work independently.
- Bilingualism (French and English) is an asset.
- Valid Class "G" Driver's License.

SOUTH NATION
CONSERVATION
DE LA NATION SUD

WHAT WE OFFER:

- You will join an organization with over 70 years of history.
- You will have the opportunity to work with a solutions-focused team and to develop your skills.
- You will work for an organization that places tremendous value on the professional and personal development of its employees.
- A comprehensive compensation package.
