

MAKE SWEET *Discoveries*

March and April - Oschmann Forest, Ormond ON

A guided maple syrup education adventure of hands-on and co-operative experiences, the program focuses on how maple syrup is produced today and in the 18th and 19th centuries.
Open to students of all ages.

\$5 PER PERSON

Includes tour and a maple taffy treat

WHY CHOOSE OUR PROGRAM?

- Our curriculum-based program has been taking place since 2000 and encourages students to work and learn together co-operatively
- Our program helps students understand the progressive nature of history while developing an understanding that human communities are part of natural environments
