Details of the procedure must be documented on a water well record and a copy must be submitted to South Nation Conservation for all approved projects.
- **Applicants are responsible for obtaining all required permits and/or approvals prior to initiating construction.**

#### ELIGIBLE COSTS:

- Permits
- Materials
- Licensed Contractor services
- Equipment rental

#### INELIGIBLE COSTS:

- Well upgrades or new well construction
- Labour or machinery use of applicant, family dependents or applicant's business
- Taxes

### APPROVAL PROCESS:

Contact South Nation Conservation (SNC) to complete an application. The Clean Water Committee will review the projects and will give priority to those with the most water quality benefit. Limited funds are available.

Approved applicants will have approximately 12 months from the approval date to complete their projects. Approved projects will be pre-paid by the landowner. Funding will be provided when the project is completed, inspected to the satisfaction of SNC, and when copies of **all** invoices with acceptable proof of payment, permits, and any other required paperwork are provided. Invoices must provide detailed breakdown of labour hours, quantities of materials purchased and associated costs.

***Refer to Clean Water Program Applicant's Guide for more information on the Application Process.***
